To the owner of this book:

It is my hope that you will be able to use this booklet as a quick and easy resource in a time of crisis. I understand that it is often hard to know where to turn for help. The Ribbon Connection contains all the RI contact information I hope you will require in order to receive immediate assistance. It is small enough that it can be hidden from an abuser if necessary. Please, know that there are thousands of Rhode Islanders involved in the fight against domestic violence. They are only a phone call away.
